NOTICE OF VIOLATION

Docket No. **SDWA-08-2004-0047**

Fairfield Irrigation Company
17906 W 1610 N
Fairfield, Utah 84013
PWS# UTAH25011

Dear Mr. Brown:

The above referenced public drinking water system has violated certain provisions of the Safe Drinking Water Act (SDWA), 42 U.S.C. § 300f, et seq. and the National Primary Drinking Water Regulations at 40 C.F.R. part 141. The violations consist of failure to monitor volatile organic chemicals; failure to monitor pesticides; failure to monitor total coliform bacteria; exceeding the monthly maximum contaminant level for total coliform bacteria; failure to submit a bacteriologic sampling plan; failure to submit a lead and copper sampling plan; failure to provide public notice of the violations; and failure to notify the State of the violations. Our records, obtained from the Utah Department of Environmental Quality (DEQ), indicate the violations noted below. Please notify Kathelene Brainich of my staff at (303) 312-6481 within 20 days if your records show any discrepancies with these determinations of violation.

This NOTICE OF VIOLATION is issued pursuant to section 1414(a) of the SDWA, 42 U.S.C. § 300g-3(a). If the State does not commence appropriate enforcement action within 30 days from the receipt of this notification, the EPA is authorized either to issue an Administrative Order under section 1414(g) of the SDWA, 42 U.S.C. § 300g-3(g) requiring the public water system to comply with the regulations or requirements, or to commence civil action under section 1414(b) of the SDWA, 42 U.S.C. § 300g-3(b).

Please inform EPA of any change in the compliance status of this system. You may wish to confer with my staff to determine the Agency's position concerning this system and to exchange appropriate information. If the State does not commence appropriate enforcement action within 30 days from the receipt of the notification, EPA will proceed with issuance of an administrative order. Our technical contact is Kathelene Brainich at (303) 312-6481.

A copy of this NOTICE OF VIOLATION has been concurrently sent to the system identified above. Also enclosed for the benefit of the Respondent is a copy of EPA's Small Business Regulatory Enforcement and Fairness Act (SBREFA) fact sheet containing information on compliance assistance resources and tools available to small businesses. EPA has agreed to notify small businesses of their right to comment on regulatory enforcement activities at the same time of an Agency enforcement action. SBREFA does not eliminate a Respondent's responsibility to comply with the Act.

Sincerely,
